

Topic 2 : Plane Waves

Relevant Course: Electromagnetic Fields

Relevant Department: ECE, EEE, EP (Engineering Physics) should have completed basic Physics Course

Relevant Semester: 3rd and above

Topic Description:

1. Wave propagation in various mediums
2. Power and pointing vectors
3. Reflection of plane wave at normal incidence.

Dates for Topic 2:

1. Sep29th (2-4 PM)
2. Sep 30th (2-4 PM)
3. Sep3rd (2-4 PM)
